Information about upcoming events, news and how to get involved below.

Patterns of worship [here](#), Children's [here](#), church calendar [here](#) and giving [here](#).

### THIS WEEK:

**Boycotting supermarkets re Gaza.** Thanks for your splendid response. Last chance to sign on Sunday 31 August. **We need volunteers to take the petition to each supermarket.** Please sign up on the table at the back of church if you can help.

**NIGHT SERVICE** on Sunday 31 August at 7 pm is a service of Healing and Wholeness led by Jo Musker-Sherwood outside on the Green. A gentle space to tend to some of the personal and political griefs that many of us are dealing with now.

### NEWS:

**WHAT CAN WE DO?** – The current situation involving Israel and Gaza is a sensitive one and raises many issues. Whilst we believe in equal rights and dignity for both Palestinians and Israeli's, what is very clear is the strength of feeling and condemnation of the Israeli government's military operations in and around Gaza that are killing civilians and have led to a humanitarian catastrophe. There are a number of people at St Mark's working to help the children of Gaza and their families by:

- advocating for political change by writing to our Prime Minister, MPs or the Israeli Ambassador here in the UK. See an example you can send [here](#)
- Boycotting supermarkets that stock goods from Israel. Please sign the petition forms to the local supermarkets at the back of church. You can find more details of how to do this [here](#). There are also national petitions you can sign up to [here](#) and [here](#).
- donating to humanitarian aid charities – The DEC have updated their appeal for aid and address the question "What is happening in Gaza and can DEC charities still provide aid?" To read this or donate, please look [here](#)
- joining vigils
- signing petitions demanding the immediate lifting of Israel's total blockade of Gaza to allow full and safe humanitarian access, as well as condemning the use of starvation as a weapon of war.

If you feel challenged by these issues and want some inspiration to help you take the next step to do something, do listen to Boyd's sermon [here](#) or have a chat with Nick Jowett, Joe Forde, Michael Bayley or Michael Miller, all of whom are willing to share their thoughts with you.

**DEMENTIA STARS TRAINING - SEPT 12, 19 & 26 1.30 - 3.30 pm @ ST Mary's Walkley -**

As part of our Mission Area's ongoing commitment to raising the awareness of dementia in our

congregations, Grace Stead from Sheffield's Enrichment for the Elderly has agreed to offer the Dementia Stars course at St Mary's Walkley. The course consists of 3 x 2 hour interactive sessions. There is no charge and no test or exam. The course will take place on 3 consecutive Friday afternoons on September 12th, 19th and 26th at St Mary's church Walkley from 1.30 pm to 3.30 pm and is open to people connected to our Mission Area. Each level builds on what has been learned in the previous levels so it is important to try to attend all the sessions for maximum benefit. I have done the bronze level online and plan to complete the remaining sessions at St Mary's. Grace is an excellent communicator and uses real life dementia situations to help us understand more about how somebody with dementia experiences the world around them, how this affects their behaviour and how we can best support them. It is practical, non academic and very accessible and would be of benefit to anyone supporting someone with dementia personally, professionally or informally. There is a sign up sheet at the back of church for you to reserve your place. Shan

**LENT COURSE 2025 AND 2026** If you participated in this year's course and would appreciate an opportunity to share your experiences. If you would like to suggest possible topics or approaches for next year's course. There will be a brief meeting in the lounge on Tuesday 23 September at 7.00 pm. Alternatively, send your reflections and suggestions to Ian on [ian@stmarkssheffield.co.uk](mailto:ian@stmarkssheffield.co.uk). Thank you and thank you to those who have already offered feedback or recommendations.

### **CHURCH ACTION ON POVERTY URBAN PILGRIMAGE – Saturday 11 October**

Firvale, Upper Wincobank and Firth Park. We will gather between 9 am and 9.30 am at St Cuthbert's Church, Barnsley Road, opposite Northern General Hospital, for our opening service and briefings on the Church's food bank etc. We shall then set off for Upper Wincobank Nondenominational Chapel, founded in 1841 by Mary Ann Rawson, the famous anti-slavery campaigner. From there, we go to Firth Park Methodist Church for our packed lunches and final discussion, ending by 2.30 pm.

It is a picturesque, diverse and cosmopolitan area, which has faced its share of challenges in recent years. We shall walk about 2 ½ miles altogether, including some uphill and downhill stretches. Parking can be difficult near Northern General Hospital so you may prefer to use the convenient bus services to Fir Vale and back from Firth Park.

If interested, please email our Secretary at [briony.broome@hotmail.co.uk](mailto:briony.broome@hotmail.co.uk)

**ST MARK'S LIBRARY GAZETTE INAUGURAL ISSUE** out now! Hard copies available on the library table, and electronic version on the website [here](#)

**CHANGE TO ST MARK'S OFFICE HOURS** While Rachael is covering our Operations Coordinator role, her working hours will now be 9:30 to 2:30 Monday, Tuesday, Thursday and Friday. It would be appreciated if items for the notices are received by close of work on Wednesdays as the notices are designed, proofread and frozen into PDF on Thursday mornings. As a lone worker, Rachael is choosing to keep the outer doors locked, so please email or phone ahead if there are items you need to drop off/ collect. The building will be open as usual during Tim's working hours 1pm to 5pm Monday, Wednesday, Thursday and Friday.

**SECURITY AROUND THE CHURCH BUILDING** A polite reminder to all keyholders, to please lock up when you leave. Recently on different occasions, windows and the main doors have been found open first thing in the morning. Please do NOT return borrowed items by leaving them in the porch outside the main doors.

**WEEKDAY USERS OF THE CAR PARK** Please be aware that the padlock code changed on Monday 28 July. We have contacted those people from church who need to know; if we've missed anyone out, please contact [carparkingstmarks@gmail.com](mailto:carparkingstmarks@gmail.com) *not the office*.

**SOCIAL SECURITY TWO CHILD LIMIT – Response from Abtisam Mohammad MP**

On Sunday 1 June, Mark James and I offered members of the Congregation an opportunity to sign a letter to local MPs, calling on the Government to end the two-child limit in social security, which is greatly increasing child poverty. Abtisam Mohammad MP has now given a full and positive reply, which she has asked to be relayed to members of the congregation. You can read the letter we sent [here](#), and Abtisam's response [here](#). *David Price*

**COMING UP AT ST MARK'S:**

**On Sunday 7 September at 10am – Carol Miller, Church Engagement Manager for USPG,** an Anglican Mission Society, will be joining us to share some insights into the work of USPG, its approach to mission and how we can develop our connection with this charity which we have supported through International Donations for many years. You may be surprised by what she has to say. There will be lunch after the service. Do come if you can. Carol will be staying for lunch so there will be plenty of time to talk with her and ask questions. *Michael Bayley*

# THINKING FAITH

Please note that this month we are meeting on the FIRST Sunday!

**7 September 7pm**

## **The Future of Church-State Relations Dr Jonathan Chaplin**

The Church of England is the Established Church in this country, with the monarch serving as its titular head. This unique position comes with privileges, expectations and responsibilities extending well beyond those who identify as 'CofE.' What are those privileges, expectations and responsibilities? Are they still justifiable within an increasingly multi-cultural, secular society? And what are the alternatives – how might the Church of England and the state relate in the future? These are just some of the issues and questions to be addressed by our speaker.

Dr Jonathan Chaplin is an Anglican political theologian and Fellow of Wesley House, Cambridge, where he contributes to the work of the Centre for Faith in Public Life. He works on issues of faith and society, democracy, secularism, pluralism, multiculturalism and eco-theology. Jonathan is the author of *Beyond Establishment: Resetting Church-State Relations in England* (2022) in which he argues for the disestablishment of the Church of England. In his spare time, Jonathan works with Palestinian campaigning groups, helps look after four grandchildren (two of whom attend St Mark's!) and plays in jazz-blues bands.

**HERITAGE OPEN DAYS - Tuesday 16 September:** 13:00-17:00 and **Friday 19 September:** 10:00-14:00. A chance to visit to the architect George Pace's finest parish church with its stained glass by John Piper and Patrick Reyntiens and Gillian Rees-Thomas and Harry Stammers. Celebrating St Mark's role as an eco-congregation. Explore the architecture of George Pace with its stunning east and west windows at St Mark's Broomhill, which was selected by the National Churches Trust as one of the UK's Top 10 Best Modern Churches and is the only church in the Sheffield Diocese to be featured in a book on English churches. You will have the opportunity to discover the history of this church, including how it was rebuilt after being destroyed by bombing in 1940. This year will focus both on the past and on the present role of St Mark's as an eco-church with a chance to see what the church has achieved both inside and out. Activities will be available for children and fair-trade refreshments will be on offer.

Members of the church will be available to explain features of the church and guide you round if you so wish.

**We need volunteers to** staff the period when we are open to serve refreshments and help guide people. There are useful notes available about the church, its architecture and its stained glass to help you with the task. Contact Philip Booth 0114 2550634.

**Faith encounters disability  
Challenges and Insights**

**The Reverend Frances Young, OBE, FBA**

Frances Young, the mother of Arthur, who was born with profound learning disabilities, taught Theology at the University of Birmingham from 1971 to 2002. In mid-life she was ordained as a Methodist minister, and now in retirement regularly leads worship in the churches of the Sheffield Circuit. After Arthur's death aged 54, with her husband now aged 90, they moved to Sheffield to be near family support. Her books, *Face to Face* (1985, 1990) and *Arthur's Call* (2014), tell Arthur's story and explore faith in relation to her family experience.

## HELP OUT:

**PRESERVE FLAVOURS NOW FOR ENJOYMENT LATER** - Now is the perfect time for making homemade jams, chutneys and preserves over the summer / early autumn. If you can, please put back a jar clearly labelled with the ingredients and bring to church from 21 September ready for us to sell on 5 October when we celebrate harvest festival.

**CALLING ALL JAM AND PRESERVE MAKERS** – We have spare glass jars and a tree full of crabapples. If you would like to take some off our hands, please contact David or Sarah Armstrong. If you don't have our contact details you can email [david.treasurer3@gmail.com](mailto:david.treasurer3@gmail.com)

**LIBRARY VOLUNTEER** – Would you be interested in joining the Church Library Group? The role is not onerous as the Library Group only meets up about two to three times a year. You would join their rota and be available to offer advice and support to library users at the main 10.00am Sunday service every couple of months or so. If you are interested, please contact Joe Forde, Church Librarian, [at joe.forde@tiscali.co.uk](mailto:joe.forde@tiscali.co.uk)

**MEALTRAIN** – Just as we support families with a new baby, we would like to support Zoë and Leyla as they adopt 2 children (Age 2 & 4 years) into their family. They would prefer to have a meal a week for several weeks than a block of daily meals as this will help them establish a routine. If you could prepare meat or vegetarian cottage pie, cheesy pasta, meatballs in sauce, sausage and mash or spaghetti bolognese (the children's favourite) for a Wednesday up until 10 September, please contact Shan who will send you the link for the MealTrain. Thank you

**WELCOME TEAMS** - would very much appreciate some additional help. If you would like to be involved (one morning every 6 weeks) in this role of welcoming people and serving refreshments, please speak to **Jean** or **Maria** or email [jean\\_baxter5@hotmail.com](mailto:jean_baxter5@hotmail.com). Thank you.

**FLOWERS**- thanks to Maureen Whitebrook, Stuart Bennett, Lenni Oglesby, Peter Ryder, Shelagh Marston & Cicely Chibnall for donating flowers, and Rachel Pilkington, Jennifer Hurrell & Briony Tayler for arranging them during August. Contact Mary-Jane Ryder if you could help arrange the flowers occasionally, training provided.

## ECO TIPS Book Review

The environment Group would like to recommend an encouraging book

### **'Not the end of the world' by Hannah Ritchie**

It's about what we need to do globally so that people can lead good and healthy lives whilst reducing damage to the natural environment.

It draws on information collected by Our World in Data, whose mission is to publish the research and data to make progress against the world's largest problems.  
[www.ourworldindata.org](http://www.ourworldindata.org)

Michael Bailey has written an excellent summary if you would like a flavour of it.  
You'll find it on Page 24 of the June 2025 edition of Mark's Messenger [here](#)

There is a copy of the book in the church library  
and it is stocked by WOB secondhand, as well as your usual bookstore.

*Eco tips from congregation members are welcome - please send them to the church office.*
