SOCIAL SECURITY TWO CHILD LIMIT – Response from Abtisam Mohammad MP

On Sunday 1 June, Mark James and I offered members of the Congregation an opportunity to sign a letter to local MPs, calling on the Government to end the two-child limit in social security, which is greatly increasing child poverty. Abtisam Mohammad MP has now given a full and positive reply, which she has asked to be relayed to members of the congregation. THINKING FAITH

12 October 7pm

**Faith encounters disability
Challenges and Insights**

The Reverend Frances Young, OBE, FBA

Frances Young, the mother of Arthur, who was born with profound learning disabilities, taught Theology at the University of Birmingham from 1971 to 2002. In mid-life she was ordained as a Methodist minister, and now in retirement regularly leads worship in the churches of the Sheffield Circuit. After Arthur's death aged 54, with her husband now aged 90, they moved to Sheffield to be near family support. Her books, *Face to Face* (1985, 1990) and *Arthur's Call* (2014), tell Arthur's story and explore faith in relation to her family experience.

HELP OUT:

Boycotting supermarkets re Gaza. Many thanks to all who signed the petitions which have been in church. We need to publicise this initiative as widely as possible and I am told that the best way to do this is through Facebook. This is foreign territory to me. Is there anyone who could offer to work on this with me? I will be very pleased to hear from you. Michael Bayley (0114 258 5249, mjbayley36@gmail.com)

PRESERVE FLAVOURS NOW FOR ENJOYMENT LATER - Now is the perfect time for making homemade jams, chutneys and preserves over the summer / early autumn. If you can, please put back a jar clearly labelled with the ingredients and bring to church and leave on the vestry windowsill from 21 September ready for us to sell on 5 October when we celebrate harvest festival.

CALLING ALL JAM AND PRESERVE MAKERS – We have spare glass jars and a tree full of crab apples. If you would like to take some off our hands, please contact David or Sarah Armstrong. If you don't have our contact details you can email david.treasurer3@gmail.com

LIBRARY VOLUNTEER – Would you be interested in joining the Church Library Group? The role is not onerous as the Library Group only meets up about two to three times a year. You would join their rota and be available to offer advice and support to library users at the main 10.00am Sunday service every couple of months or so. If you are interested, please contact Joe Forde, Church Librarian, [at joe.forde@tiscali.co.uk](mailto:joe.forde@tiscali.co.uk)

WELCOME TEAMS - would very much appreciate some additional help. If you would like to be involved (one morning every 6 weeks) in this role of welcoming people and serving refreshments, please speak to **Jean** or **Maria** or email jean_baxter5@hotmail.com. Thank you.

FLOWERS- thanks to David Godden, Mike Willis, Pat Hunt and Rachel Pilkington for donating flowers, and Rachel Pilkington and Sue Godley for arranging them during September. Please contact Mary-Jane Ryder if you could help arrange the flowers occasionally. Current arrangers are happy to offer support and guidance if you have not done flower arranging before.

CHURCH ACTION ON POVERTY URBAN PILGRIMAGE – Saturday 11 October

Firvale, Upper Wincobank and Firth Park. We will gather between 9 am and 9.30 am at St Cuthbert's Church, Barnsley Road, opposite Northern General Hospital, for our opening service and briefings on the Church's food bank etc. We shall then set off for Upper Wincobank Nondenominational Chapel, founded in 1841 by Mary Ann Rawson, the famous anti-slavery campaigner. From there, we go to Firth Park Methodist Church for our packed lunches and final discussion, ending by 2.30 pm.

It is a picturesque, diverse and cosmopolitan area, which has faced its share of challenges in recent years. We shall walk about 2 ½ miles altogether, including some uphill and downhill stretches. Parking can be difficult near Northern General Hospital so you may prefer to use the convenient bus services to Fir Vale and back from Firth Park.

If interested, please email our Secretary at briony.broome@hotmail.co.uk

Together we will hope to reach a place of active hope. There will be prompts for reflection, times of silence and times to share together. The sessions will be led by Catherine Fish and Margaret Ainger, both members of Green Christian. Participants are encouraged to book for all the sessions, as they lead on from each other, but it is possible to book sessions individually.

ECO TIPS

Book Review

The environment Group would like to recommend an encouraging book

'Not the end of the world' by Hannah Ritchie

It's about what we need to do globally so that people can lead good and healthy lives whilst reducing damage to the natural environment.

It draws on information collected by Our World in Data, whose mission is to publish the research and data to make progress against the world's largest problems.

www.ourworldindata.org

Michael Bailey has written an excellent summary if you would like a flavour of it.

You'll find it on Page 24 of the June 2025 edition of Mark's Messenger [here](#)

There is a copy of the book in the church library and it is stocked by WOB secondhand, as well as your usual bookstore.

Eco tips from congregation members are welcome - please send them to the church office.
