THIS WEEK AT ST MARK'S

THANK YOU FROM ANNE BUTTON' FAMILY - A huge thankyou to everyone who contributed to making Anne's celebration of Thanksgiving such a special day. We were overwhelmed by the outpouring of love, care and joy we all received from everyone which will remain in our memories for ever.

We would like to mention special thanks to the Lunch Club team, who put together everything we were hoping for; Mum would have been delighted! We are also indebted to the other "behind the scenes" people-the verger, organist, florists, sound and IT engineers, who ensured everything was perfect. We would also like to say a huge thankyou to Rev. Shan, whose kindness, thoughtfulness and unstinting support made it such a special occasion. Finally, a massive thankyou to everyone who contributed to the Alzheimer's Society, raising £1000 towards their vital work. Just amazing, thank you for such generosity. Arthur, Angie and Helena

CHANGE IN WORKING PATTERN - From 1 February, I (Shan) am changing my working pattern back to mainly work full days on Mondays, alternate Tuesdays, Thursdays and Sundays instead of 5 mornings a week plus Sundays. This is to help me try to regain a better work / personal life balance. As a result, St Mark's will not be offering morning or evening prayer on Zoom on a Friday. This will be reviewed once Helena starts after Easter. In the meantime, the option to join St John's Ranmoor for morning prayer will remain but they do not do evening prayer on Zoom. Beth and myself will aim to host Monday to Thursdays as previously.

NIGHT SERVICE – TAIZE PRAYER Sunday 15th February at 7pm.

A service of singing, prayer, and silence, using the pattern and style of worship practiced at the Taizé Community.

ASH WEDNESDAY SERVICE – Wednesday 18 February at 7pm.

This day marks the beginning of Lent and includes the opportunity to reflect on the meaning of Ash Wednesday, to be marked with the sign of the cross on your forehead and to receive Holy Communion.

NEWS:

LENT LUNCHES will take place on February 22 and March 22. February's will be soup, bread and fruit; contributions of bread and spread welcome, *but* don't bring soup without a word to Briony first, as we already have some to use.

LENT GROUPS - Exploring Social Justice: Critical Issues Defining our Time

This year's Lent Course will focus on what it means to seek justice for some of the most vulnerable members of society. Each session will explore social justice through the lens of one of five topics: identity; inequality; disability; asylum; social disintegration. Resource packs will include bible passages, briefings, first-hand testimonies, images, prayers, questions and reflections so that each group or individual can shape the course to reflect their interests, needs or learning styles.

Groups will gather weekly, 5 times during Lent (18 Feb – 28 March) on different days, at different times, in different places, in person and online, so that as many people as possible are able to participate.

Please sign up on the sign-up sheets at the back of church, leaving an email or phone number. We will pass your contact details on to group leaders, and they will be in touch to give you additional details (address, zoom code etc).

Or if you are not coming into church soon, please email the office stating which group you would like to join and we will add you to the group.

Safeguarding Audit Surveys – Spread the Word

Our diocese is currently taking part in an independent safeguarding audit being carried out by INEQE Safeguarding Group on behalf of the Church of England. You may already have seen information about this through earlier mailings, and we would like to thank everyone who has already taken the time to complete a survey.

The surveys are live until 11.30pm on Wednesday 11 March 2026. Every response matters, and your help in encouraging wider participation will strengthen the audit and support safer, more transparent church communities.

You can find out more and take part in the survey [here](#)

Which is more welcoming?

To this

Entry to St Marks

When you walk into St Mark's you are in a corridor with a selection of solid wooden doors. It is not clear which leads into the worship area. This is not very welcoming and tends to result in doors being left open which cause cold draughts in the winter.

After consultation with the church architect a design for new doors has been agreed. These have a similar design to the originals but containing glass panels. This design has been presented to the diocese for approval.

This approval has now been received and we can progress changing the doors and making St Marks more welcoming.

The doors into the chapel are changing in a similar way.

The Solution

The new doors will cost about £6,000 to manufacture and install. This cost can be met from existing fabric reserves.

However, if you were able to help to pay for the doors we could keep the reserves for other items.

If you are interested in making a donation towards the cost of the doors please talk to David, the treasurer. Alternatively, you could simply transfer your donation to the church bank account with a reference DOORS.

In the unlikely even that the appeal raises more than the cost of the doors any additional money will be used for other fabric items.

Thank you

THINKING FAITH

8 March 7pm

Pilgrimage

The Very Reverend Abigail 'Abi' Thompson

Dean of Sheffield Cathedral

Tom Daggett

Director of Music at Sheffield Cathedral

From the beginning, 'journey' has been both a practice within and a metaphor for the life of faith. 'Come, follow me,' Jesus summoned people to accompany him as he fulfilled an itinerant ministry. The early Jesus movement soon became known as the 'Way.' By the fourth century, pilgrimage was practised within Christianity as a means of deepening faith, with the emergence of popular sites. Although long embedded within Catholic and Orthodox spiritualities, as well as within those of other religious traditions, in recent decades its worth has been discovered much more broadly, both in sacred and secular contexts. Why has pilgrimage become so popular and what has it to offer?

Dean Abi Thompson and Tom Dagget walked part of the Camino de Santiago de Compostela last year and will return this March to complete the final 100 kilometres of the Portuguese Way, a coastal route from Vigo to Santiago, to raise funds for the Cathedral's 'Archer Project' and its 'Choir with No Name.' Tom and Dean Abi will both speak of their experiences and offer reflections on pilgrimage.

HELP OUT:

DONATING FLOWERS. Many thanks to everyone who donated flowers to decorate church during 2025. Mary Jane would like to check that if the same people would like to continue this year. If you do NOT wish to continue donating, then please contact Mary- Jane as soon as possible, otherwise she will work on the assumption you are happy to continue. If anyone would like to be added to the rota to donate flowers for a certain Sunday then please let Mary-Jane know. mjryder.ivypark@btinternet.com

You would join their rota and be available to offer advice and support to library users at the main 10.00am Sunday service every couple of months or so. If you are interested, please contact Joe Forde, Church Librarian, [at joe.forde@tiscali.co.uk](mailto:joe.forde@tiscali.co.uk)

WELCOME TEAMS - would very much appreciate some additional help. If you would like to be involved (one morning every 6 weeks) in this role of welcoming people and serving refreshments, please speak to **Jean** or **Maria** or email jean_baxter5@hotmail.com. Thank you.
