PILGRIMAGE TO SANTIAGO –

On Saturday 23 May, Shan and Siobhan are setting off on a pilgrimage to Santiago de Compostella in Spain. We will be walking around 70 miles of the French Camino between Sarria and Santiago over 9 days starting just after Pentecost and ending the day before Corpus Christi. This is our first pilgrimage of this kind, and we will be walking independently rather than with a guided group so we would value your prayers and encouragement as we prepare as well as whilst we are walking. We will be seeking joint sponsorship and any money raised will be divided equally between Poynton Golden Memories, a voluntary support group for people affected by Dementia / Alzheimer's and our forthcoming Mission Area Weekend in July to cover some of the costs enabling everyone who would like to attend to do so. Both these projects focus on shared journeys, sharing the caring, and offering friendship and hope. Watch this space for how you can sponsor us. Shan & Siobhan

LENT LUNCHESES – Thank you to Briony for hosting Sundays Lent Lunch. £61 was raised for USPG, one of the charities we support through International Donations.

There will be another lunch marking the final Sunday of Lent on 22 March when we will be serving jacket potatoes with fillings and dessert. Thank you to The Home Donations Team for co-ordinating this.

Between the morning service and lunch being served, there will be two short talks connected to two of the organisations supported by St Mark's.

- Nomad Homelessness Project – which provides housing for homeless people of all backgrounds, but especially refugees.
- Together for the Church of England which encourages inclusivity in the Church of England

A MESSAGE OF THANKS FOR CANDLES FOR UKRAINE

From the Sheffield Branch of the Association of Ukrainians in Great Britain

St Marks was recently able to respond to an appeal for candle stubs for Ukraine. Once there, they will be melted down, mixed with paraffin and a large new wick added to form large blocks. They are then distributed to people living without power, desperately in need of light and warmth in bitter winter.

The Association says

“With cold weather locally and recent local power cuts, many of us have had a small glimpse of the conditions that millions in Ukraine are facing daily. Your kindness directly supports those living in incredibly difficult circumstances. Thank you”

SAFEGUARDING AUDIT - This audit is an important opportunity for our diocese to listen honestly, learn well, and strengthen our commitment to creating environments where everyone is safe, valued and respected.

Your voice can help ensure that this independent process reflects the reality of safeguarding practice, culture and lived experience across our diocesan community.

If you have not yet completed a survey, please do so. It only takes a few minutes, and responses are anonymous and confidential, going directly to INEQE's independent audit team. Every perspective matters, whether or not you are directly involved in safeguarding.

Safeguarding Audit Surveys – Spread the Word

Our diocese is currently taking part in an independent safeguarding audit being carried out by INEQE Safeguarding Group on behalf of the Church of England. You may already have seen information about this through earlier mailings, and we would like to thank everyone who has already taken the time to complete a survey.

The surveys are live until 11.30pm on Wednesday 11 March 2026. Every response matters, and your help in encouraging wider participation will strengthen the audit and support safer, more transparent church communities.

You can find out more and take part in the survey [here](#)

ENTRY TO ST MARK'S FROM THE CORRIDOR

From this

Which is more welcoming?

To this

Entry to St Marks

When you walk into St Mark's you are in a corridor with a selection of solid wooden doors. It is not clear which leads into the worship area. This is not very welcoming and tends to result in doors being left open which cause cold draughts in the winter.

After consultation with the church architect a design for new doors has been agreed. These have a similar design to the originals but containing glass panels. This design has been presented to the diocese for approval.

This approval has now been received and we can progress changing the doors and making St Marks more welcoming.

The doors into the chapel are changing in a similar way.

The Solution

The new doors will cost about £6,000 to manufacture and install. This cost can be met from existing fabric reserves.

However, if you were able to help to pay for the doors we could keep the reserves for other items.

If you are interested in making a donation towards the cost of the doors please talk to David, the treasurer. Alternatively, you could simply transfer your donation to the church bank account with a reference DOORS.

In the unlikely even that the appeal raises more than the cost of the doors any additional money will be used for other fabric items.

Thank you

THINKING FAITH

8 March 7pm

Pilgrimage

The Very Reverend Abigail 'Abi' Thompson

Dean of Sheffield Cathedral

Tom Daggett

Director of Music at Sheffield Cathedral

From the beginning, 'journey' has been both a practice within and a metaphor for the life of faith. 'Come, follow me,' Jesus summoned people to accompany him as he fulfilled an itinerant ministry. The early Jesus movement soon became known as the 'Way.' By the fourth century, pilgrimage was practised within Christianity as a means of deepening faith, with the emergence of popular sites. Although long embedded within Catholic and Orthodox spiritualities, as well as within those of other religious traditions, in recent decades its worth has been discovered much more broadly, both in sacred and secular contexts. Why has pilgrimage become so popular and what has it to offer?

Dean Abi Thompson and Tom Daggett walked part of the Camino de Santiago de Compostela last year and will return this March to complete the final 100 kilometres of the Portuguese Way, a coastal route from Vigo to Santiago, to raise funds for the Cathedral's 'Archer Project' and its 'Choir with No Name.' Tom and Dean Abi will both speak of their experiences and offer reflections on pilgrimage.

WELCOME TEAMS - would very much appreciate some additional help. If you would like to be involved (one morning every 6 weeks) in this role of welcoming people and serving refreshments, please speak to **Jean** or **Maria** or email jean_baxter5@hotmail.com. Thank you.
