### HOLY WEEK & EASTER AT ST MARK'S

#### **Maundy Thursday – 2 April**

7pm Maundy Thursday Service. A communion service, including a drama depicting the Last Supper and foot washing. We gather around the table as Jesus did with his disciples, before moving into a powerful, quiet time of watching and waiting. The service includes theological reflection and ends with the stripping of the altar, followed by The Watch: an opportunity to wait in silence and pray.

#### **Good Friday – 3 April**

9.45am All Age Activities with crafts & hot cross buns. A welcoming space for all ages to engage with the story of Good Friday in creative ways followed by a Sensory Faith Walk and picnic which starts from church at 10.30am.

12–3pm Meditation at the foot of the Cross. Our Good Friday reflections will be different from last year, offering more space for reflection on the events and theology of Good Friday. We will explore themes of violence, power, and atonement, with homilies, reflection, silence and music. You are welcome to stay for the three hours as we move through the different aspects of the Good Friday story. It is also possible to come for a shorter section of the time. From 12.30 – 1.30pm there will be a childcare space upstairs, led by Hannah, for any parents or carers who would like to join in with the service in church.

#### **Easter Day – 5 April**

6am Dawn Service on the Green. We greet the risen Christ at sunrise with a Taizé service which begins outdoors around the fire and then moves into church where we renew baptismal vows, celebrate communion, and conclude with a breakfast of hot cross buns, pastries and coffee.

8am BCP Communion. A quieter, traditional celebration of the resurrection. This service will also be on zoom.

10am Festive All-Age Service. A joyful celebration as we share in the good news of Easter together, followed by an Easter Egg Hunt on the Green. This service will also be on Zoom.

**Nb There is no Night Service on Easter Day.**

Whether you come to one service or join us throughout the week, you are very welcome. Holy Week offers us a chance to journey together through reflection, story, and hope, as we move from the cross to the joy of resurrection.

## **NEWS:**

**ANNUAL PAROCHIAL CHURCH MEETING (APCM)** will be held on Sunday 26 April after a shorter morning service, followed by a bring and share lunch. Thanks to those who have signed up to join the electoral roll. The roll is now closed.

The PCC would like to encourage people to think about how they connect and get involved with St Marks. There are lots of opportunities to help out and share your time, energy and skills. There are currently spaces on the PCC. If you would like to find out what it is like to be on the PCC please speak to Beth, Dilys or other members of the PCC. This year we are particularly looking for someone to be PCC Secretary, and for a new churchwarden, and others happy to support the wardening role. Please get in touch to find out more.

**ANNUAL REPORT** – You can look at the [Annual Report on the website](#) , limited paper copies are also available at the back of church with a suggested donation of £2 for printing.

**MARK'S MESSENGER** - Frances Gray will now be editing the June edition which will be based around the theme of play and recreation. Please submit all articles you would like considering for inclusion by **26 April**

**ST MARK'S LIBRARY GAZETTE ISSUE NUMBER TWO** - Hard copies available at the back of church. £5 suggested donation to cover printing costs. Also available to download from St Mark's website [here](#).

**THANK YOU** to the home donations team who hosted lunch on 22 March. The profits will be divided between Nomad and Together for the Church of England, the two charities we learned more about after the service.

**THANK YOU** to Ceci, Eliza, Emily, Felix, Joshua and Katie who submitted entries for our design an Easter card competition this year. We combined 4 of their images to make 2 cards which will be sent to members of St Mark's lunch and friendship club, residents in Aaron House, Broomgrove, Hallamshire and Taptonholme Care Homes and a few members of our own congregation who are unable to get to church to worship, as well as being distributed by our Mission Area partner parishes of St John's Ranmoor and St Mary's Walkley.

We hope these bright and cheery cards will make those who receive them feel loved and valued, act as prompts for conversations or reminiscence, and help reduce any feelings of loneliness or isolation.

**PILGRIMAGE TO SANTIAGO SPONSORSHIP** – If you would like to sponsor us, you can do so through Just Giving [here](#) or via [justgiving.com](http://justgiving.com) and search Shan Rush or fill in the sponsor form on the notice board in church.

On Saturday 23 May, Shan and Siobhan are setting off on a pilgrimage to Santiago de Compostella in Spain. We will be walking around 70 miles of the French Camino between Sarria and Santiago over 9 days starting just after Pentecost and ending the day before Corpus Christi. This is our first pilgrimage of this kind, and we will be walking independently rather than with a guided group so we would value your prayers and encouragement as we prepare as well as whilst we are walking. We will be seeking joint sponsorship and any money raised will be divided equally between Poynton Golden Memories, a voluntary support group for people affected by Dementia / Alzheimer's and our forthcoming Mission Area Weekend in July to cover some of the costs enabling everyone who would like to attend to do so. Both these projects focus on shared journeys, sharing the caring, and offering friendship and hope.

# The Pieces Join

Navigating Faith, Trauma and Recovery

When trauma tears us apart, can the pieces ever truly come back together? In *The Pieces Join*, Beth Keith offers a compassionate and courageous exploration of recovery for those wounded by abuse within the Church.

While many works highlight the realities of trauma and misconduct, this book turns its gaze toward the slow, sacred process of recovery - of re-joining what has been broken. Drawing on moving personal accounts, survivor stories, and deep wells of Christian theology, Beth Keith exposes the ways in which Church systems can both harm and heal. She weaves narrative and theological reflection into a tapestry of hope - where atonement and forgiveness are not given as easy answers but as a complex journey through pain. *The Pieces Join* fills a vital gap in pastoral care literature, offering wisdom and clarity to those navigating the aftermath of spiritual and sexual abuse within Christian contexts.

*"This is a wise and courageous book."*

JOANNE GRENFELL, FORMER LEAD CHURCH OF ENGLAND BISHOP FOR SAFEGUARDING.

*"I have been waiting for this book... It is a gift to the church, and to every person who has been harmed by the church. I encourage anyone thinking about ministry in the church to read it."*

ANDREW GRAYSTONE, ADVOCATE FOR SURVIVORS OF CHURCH ABUSE.

## ENTRY TO ST MARK'S FROM THE CORRIDOR

From this

Which is more welcoming?

To this

### Entry to St Marks

When you walk into St Mark's you are in a corridor with a selection of solid wooden doors. It is not clear which leads into the worship area. This is not very welcoming and tends to result in doors being left open which cause cold draughts in the winter.

After consultation with the church architect a design for new doors has been agreed. These have a similar design to the originals but containing glass panels. This design has been presented to the diocese for approval.

This approval has now been received and we can progress changing the doors and making St Marks more welcoming.

The doors into the chapel are changing in a similar way.

### The Solution

The new doors will cost about £6,000 to manufacture and install. This cost can be met from existing fabric reserves.

However, if you were able to help to pay for the doors we could keep the reserves for other items.

If you are interested in making a donation towards the cost of the doors please talk to David, the treasurer. Alternatively, you could simply transfer your donation to the church bank account with a reference DOORS.

In the unlikely even that the appeal raises more than the cost of the doors any additional money will be used for other fabric items.

Thank you

## **FROM OUR ENVIRONMENT GROUP:**

### **ECO TIPS:**

Celebrate new life this Easter and have a go at growing something. April is the perfect time to try to grow something edible or to encourage someone else to try. Salad leaves or herbs are a great place to start and will reduce your reliance on those of-so-convenient supermarket salad bags. For indoor spaces try 'micro-greens' vegetable leaves harvested soon after they open.

*Monthly tips supplied by A Rocha*

*Eco tips from congregation members are welcome - please send them to the church office.*
