MEMBERS OF ST MARK'S INVITE YOU TO: RUSKIN COMES TO TOTLEY: There will be a second reading of the play by Frances Gray and David Price about Ruskin's activities in Sheffield at 7 pm on Saturday 21st November at Dore and Totley United Reformed Church, Totley Brook Road, Totley. It has been renamed to attract a Totley audience. Click here for more.

RUSKIN COMES TO TOTLEY
A PLAY IN TWO ACTS BY
DAVID PRICE AND FRANCES GRAY

In 1877 the celebrated art critic and social prophet, John Ruskin, bought a farm in Totley for some Sheffield 'Communists" who wanted to establish a commune. But Ruskin and the 'Communists' had conflicting ideas…

A rehearsed play reading with music. No tickets. Admission free but a collection at the end for expenses incurred by two of the churches involved – St Mark's Broomhill and Dore and Totley URC - and for the charity 'Your Kids Around the World'.

'Consistently engaging and full of charm' - Review by Stuart Eagles, former Secretary of the Guild of St George.

7 pm on Saturday 21 November 2026 at Dore and Totley URC, Totley Brook Road, Sheffield S17 3QS

CHRISTMAS CARDS from Oxfam & Good taste will be on sale after the 10am service, cash please.

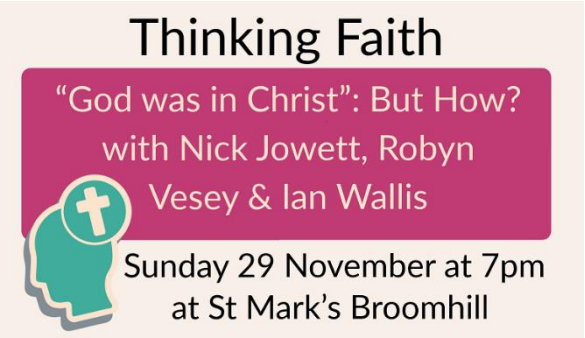

COMMUNION BREAD – The gluten free Tiger bread we tried over the last few weeks has proved to be very crumby and difficult to administer without giving people a larger piece which is more difficult to swallow! We have managed to source the gluten free pitta bread we previously used so will revert to this in the short term whilst we explore other options. *Clergy team*

FLOWERS - Thanks to Vanessa Senger, Helen Fisher, Maureen Bowness and Jennifer Hurrell for donating flowers & Helen Fisher, Tricia Morgan, Vanessa Senger and Jennifer Hurrell for arranging them in November

COMING UP AT ST MARK'S:

CHRISTMAS CAROL - The young members of our choir and other young people are performing their adaptation of a Christmas Carol on Saturday 28th November from 3.30-5pm at St John's Church Hall Abbeydale Road South. Cash on the door £2.00. It would be great if we can support them in this venture. There is a poster on the notice Board with all the details

TOY SWAP - Calling all grandparents and families, please bring any unwanted lightly used toys for a swap at St Marks on 29 November. Items (including toys, books, Christmas jumpers, Christmas decorations or unwanted gift-wrapping paper) can be brought to church in the morning and then items will be available to choose after church or before/after the Christingle service in the afternoon. We hope that by swapping rather than shopping for gifts we can together reduce our carbon footprint and reduce waste this Christmas.

NEWS

CHANGES TO MINISTRY ACROSS THE THREE SPIRES MISSION AREA

St John's are in the midst of a time consuming project to save their spire and enhance the church's facilities, and this alongside a reduction in the working hours of Revd Alison Wragg has meant Revd Matthew Rhodes and herself are currently unable to continue to support the ministry of St Mary's in the way they have been doing. For the time being, their ministerial focus will be in relation to St John's rather than to the wider Mission Area.

With the appointment of Revd Helena Roulston to St Mark's, the return to full time ministry of Revd Beth Keith and the ministry of Revd Ian Wallis, Revd Shan Rush has been able to review her vocation and following a period of discernment, felt called to begin a new phase in her ministry by reducing the time she is at St Marks and offering an increased time commitment to St Mary's predominantly in a pastoral role, working alongside licensed and other lay ministers who undertake specific ministries in St Mary's parish.

At St Mary's, Beth will continue to be the Priest in Charge with oversight of the team of lay and ordained ministers. In addition to Shan, St Mary's will be welcoming another new member to the team, Revd Samuel Tudor as assistant curate. Sam is moving to St Mary's from Manor Parish where he has been a curate for the past 18 months. Following a re-evaluation of the scope of his training incumbent's role, it was felt that Sam would benefit from a new training placement. St Mary's was identified both as a good context to support Sam's continued development, and a parish which could benefit from a full time stipendiary curate with Sam's particular gifts and skills. We will be sharing a photo and introduction from Sam in St Mary's church news next week. Sam will be helping St Mary's with their Christmas Market on 12th December so there will be plenty of opportunity to meet him there.

In order to mark and formalise these changes, Bishop Leah will be at St Mary's at 10.30 am on 13 December to license Sam as Curate of St Mary's and Shan as Associate Priest to St Mary's Walkley and across the Mission Area. Bishop Leah will also use this opportunity to renew Mr Joseph Pritchard's license as Reader at St Mary's. You are warmly invited to join us and clergy and readers are invited to robe. Following the service light refreshments will be served.

NUT- FREE CHURCH, FROM 1 DECEMBER 2026 - The Benedict Law has recently been introduced to make sure that schools (in particular) are fully aware of how to manage allergies, which has in turn led to recommendations from the Diocese of Sheffield. In particular we have decided to follow advice and ask that no nuts be brought into church, and particularly no nut foods to be prepared and/or served from the kitchens. We understand that many wrappers say 'may contain nuts'. We cannot stop using all the products that say this! However, please do not use products that include nuts in the ingredients list. Posters with more information are coming soon. Thank you.

HELP OUT:

JOIN OUR CHOIR - **If St Mark's would like to continue to have a vibrant choir to lead worship, then we need members of the congregation to contribute and share their vocal gifts.** Music is an important part of worship at St Mark's, and the choir is central to this. The choir both leads and enhances worship. We are lucky to have some very dedicated members of the congregation who do sing weekly but recently, for various reasons, several of them have had to retire. Despite our best efforts, we've had limited success and have only managed to recruit 2 new members.
In addition to the congregation, we try and recruit from outside the church, but our view is that the bulk of the choir will inevitably be drawn from the congregation.
There are no expectations or requirements of membership. Some people come twice a week, to Thursday rehearsals and Sunday services. Others only do Sundays. Some sing when they can, which may be as little as 3 or 4 times a year. Sadly, without singers in the choir stalls on Sunday mornings, the choir will eventually stop.
If you're able to contribute at all to the choir, we'd love to have you along. We're particularly short of sopranos and altos, but everyone is welcome. If you're choir-curious, please give it a go or have a chat to David.

ST MARK'S CAROL SINGING - If anyone would like to join members of the St Mark's choir to do carol singing in local care homes on Tues 8 Dec, they'd be very welcome to join us. We'll meet at St Mark's at 5.30, visit 3 local care homes, then be back at St Mark's by 8.30

HOMES FOR UKRAINE SPONSORSHIP APPEAL: A family of five from Ukraine is seeking a Homes for Ukraine sponsor in the Sheffield area while they settle and look for longer-term accommodation. FROM OUR ENVIRONMENT GROUP:

ECO TIPS:

As winter creeps in, homes are really important. God calls us to give nature a home, too. Does your garden have a bird feeder? Could your balcony or windowsill do with some plant life? If you don't own the house you could make a case to the homeowner for a bird box, hedgehog highway or whatever. (For a hedgehog highway do make sure the neighbours are OK with you making a small hole in a shared fence). Why not gather your housemates, friends and family to discuss how a new recycling, heating or transport arrangement might work for you all - you'll go further together!

Eco tips from congregation members are welcome - please send them to the church office.
